

Finding your way to MRI

After-Hours

Markham
Stouffville
Hospital
Oak Valley Health

1

Enter the hospital through the Emergency Department (ED) doors

(on the south side of hospital)

In between these glass doors there is a “pick-up phone” on the left wall to use for contacting the MRI department IF you are arriving late. Otherwise, proceed to MRI (enter, turn RIGHT).

2

Once inside the Emergency hallway walk towards these doors. Pass through these doors and turn **LEFT**.

3

Go straight through these doors.

These doors may be locked. Use the intercom button on the right side wall to contact Security and “buzz you in”.
Pass through these doors and turn **LEFT**.

At this intersection turn **LEFT** to go to the elevators.

Take elevator up to second (2nd) floor.

Exit elevator and turn **LEFT**

At this intersection turn **RIGHT**.
Follow the purple wall signs to go to MRI.

At this intersection turn **LEFT**.
Follow the purple wall signs to go to MRI.

At this intersection turn **RIGHT**.
Follow the purple wall signs to go to MRI.

Go straight down this hall.

The MRI department is just up ahead. The small MRI sub-waiting room will be seen on the **RIGHT** just inside these open doors.

Upon arriving at the MRI waiting room, please use the telephone on the wall to tell the technologist you have arrived.

Please complete the registration form found on the clipboard while you are waiting. The technologist will come see you when finished with other patients.
